

Good Evening Rose Families,

We would like to start by thanking everyone for your continued patience with the ongoing changes throughout this very uncertain time. If you have not already heard, our Superintendent has decided to postpone the start of hybrid learning to January 2021 based on information from the Pima County Health Department. This means we will continue with our current remote learning schedule and there will not be an in-person learning option until the Spring semester. We appreciate your flexibility as we navigate through this pandemic. Our goal as a school is to keep you informed with the most recent information. That may mean several phone calls, texts, or emails. If you have any questions, please call the office at 908-4400. Also, please see the important updates below.

Attendance:

Your child will need to be on their Zoom classes all day to check in for attendance and receive live instruction with their teacher. If you are having technical issues or the child will not be showing up for the am and pm session, a parent must call and excuse the absence.

TUSD Food Service:

TUSD Grab-n-Go meals are free to all children 18 and under; breakfast and lunch are provided at the Rose bus bay on Michigan St. daily from 10:49-10:59AM. Children do not have to be present to receive meals. Please visit www.tusd1.org/GrabAndGo to find the menus or other stops near you.

*With remote learning continuing, our Grab & Go Meal bus routes will resume on Thursday, 11/12 following the same bus routes as before; however, the bus routes will not run on Wednesdays. The Grab & Go meal bus routes will run Mondays, Tuesdays, Thursdays, and Fridays. Double meals will be provided on Mondays, Tuesdays, Thursdays, and Fridays to cover meals for Wednesdays and Saturdays/Sundays.

The Grab & Go meal bus routes are not running Tuesday, 11/10 and Wednesday, 11/11 as previously planned and communicated by TUSD Food Service

*The weekly meal picks are available as an alternative option to the bus routes. Registration for the weekly meal pick up is required at <http://tusd.noesisgroup.com/index.php/143184?lang=en>. The current registration process is for the following dates: Tuesday, 11/10 from 4:00-5:30pm and then every Wednesday (11/18, 11/25, 12/2, 12/9 & 12/16) from 10am-1pm at TUSD Food Services Central Facility (2150 E. 15th Street 85719).

*Meals will continue to be provided on site to those students on site for learning labs
