Welcome families to CE Rose! We had a great start to the school year! Just a few reminders about some of the following items:

Morning Drop off: students are able to play in the playground or go to the cafeteria for breakfast before school starts. Once the bell rings, students are to get in line at their designated space. Parents you may stay with your student/s if you choose to until they line up and go inside.

Dismissal: Kinder dismisses at 2:30pm, 1st-6th dismiss at 2:40pm. We ask that you please follow our school expectations for the safety of all our students. We will have cards with names of your students, we ask that you put the names on the dashboard or hold them when picking them up. This will help us quickly call your child and get them to you. If you walk to pick up your student/s, we ask that you please stay on the South side of the crosswalk inside the parking lot so we can see students, call them, and walk them across safely.
